

The Fortieth Avenue Institute of Metallurgical Arts and House of Odd Bicycles

MORE FUN THAN
WHEN WE STARTED

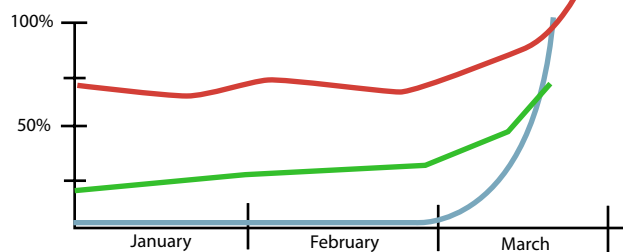

IT'S NEVER THAT FAR
FROM BEER O'CLOCK

Quarterly Report

The Fortieth Avenue Institute of Metallurgical Arts and House of Odd Bicycles has had a stunning first quarter in 2007. Shareholders have reaped outstanding results in all three mission criteria. Production of Odd Bicycles is up 100%. Learning/Teaching of Metallurgical Arts is growing at a steady pace and our Fun quotient is literally off the charts!

First Quarter 2007

■ Odd Bikes
■ Learning
■ Fun

Great Shareholder benefits! Peanuts, welding, a beer and all the riding of Odd Bicycles you have risk tolerance for.

Become a Shareholder with a donation of:

- Old, Unused Bicycles (We'll take em all!)
- Useful Scrap (mild steel, steel plate, sheet metal, bed frames!)
- Metal Working Tools
